DESCRIPTION:

Bianco Mastici is the epitome of luxury in epoxy-based glues, meticulously crafted for filling joints and cracks in white and light marble surfaces. Renowned for its exceptional clarity and durability, this premium product stands out for its high-grade ingredients, ensuring a pristine, long-lasting finish. With Bianco Mastici, every repair is a testament to sophistication and quality craftsmanship.

Product Application Photo:

INSTRUCTIONS TO USE:

1. Clean the surface by removing all dust and dirt.
2. Make a fine paste by mixing components marked 'A' and 'B' on 100:50 ratio.
3. Apply immediately on the surface and allow 3-4 hours for drying.
4. Continue further process.

FEATURES AND BENEFITS:

1. **Unparalleled Clarity:** Bianco Mastici offers unmatched clarity, providing seamless repairs that blend seamlessly with white and light marble surfaces, elevating the aesthetic appeal to new heights.
2. **Exquisite Durability:** Crafted with the finest ingredients, Bianco Mastici boasts unparalleled durability, ensuring that repairs stand the test of time, maintaining their pristine condition for years to come.
3. **Enduring Clear Finish:** Unlike standard epoxy-based glues, Bianco Mastici retains its clarity for an extended period, resisting yellowing or discoloration, preserving the natural beauty of the marble.
4. **Exceptional Longevity:** The joints filled with Bianco Mastici are not just repairs; they are enduring statements of luxury and quality, guaranteeing structural integrity and aesthetic excellence for generations.
5. **Craftsmanship Excellence:** When applied by a professional applicator, Bianco Mastici transforms repairs into masterpieces, with joints that remain pristine and unchanged in color, reflecting the unparalleled luxury of the product.

PRECAUTIONS AND NOTES:

1. Wear Hand Gloves.
2. Keep Out of Reach of Children.
3. Keep the application area enough ventilated.
4. Keep the product closed after usage and away from sunlight.
5. Always test the product before use.

HANDLING & SHELF-LIFE:

Keep the tins closed and stored in a cool and ventilated environment at a temperature of 28-35 °C, away from the source of heat. Best Before 12 months.

SAFETY RULES:

Keep the application area enough ventilated. Keep the tins closed after usage and away from sunlight. Please read carefully the safety data sheet before usage. Always test the product before use.
