DESCRIPTION:

Dush DH-10 Epoxy Grout is a professional-grade product designed for grouting tiles, including large-format tiles. Its unique formulation ensures easy application and consistent grout lines, enhancing the overall appearance of tiled surfaces. With a glossy finish that complements tiles, DH-10 offers the option to match or contrast colors seamlessly. Plus, its long-lasting properties ensure that it maintains its color and integrity over time.

Product Application Photo:

INSTRUCTIONS TO USE:

1. Clean the surface by removing all dust and dirt.
2. Blend 'Resin A' and 'Hardener B' in a ratio of 2.5:1 to a uniform consistency.
3. Add 'Filler Powder C' to the mixture to form a paste.
4. Apply on the cracks and holes on the surface for a perfect finish.
5. Allow sufficient time for drying.

FEATURES AND BENEFITS:

1. **Professional Quality:** DH-10 is a top-tier epoxy grout formulated for professional use, ensuring high-quality results in grouting tiles of any size.
2. **Easy Application:** Its unique formulation allows for effortless application, simplifying the grouting process and saving time and effort.
3. **Consistent Grout Lines:** DH-10 provides a uniform consistency in grout lines, achieving a clean and polished look that is often challenging with regular grouts.
4. **Glossy Finish:** The grout's glossy finish enhances the attractiveness of tiled surfaces, providing a seamless transition between tiles and grout lines.
5. **Color Stability:** DH-10 maintains its color over time, resisting fading and drying, ensuring that your tiled surfaces retain their beauty and integrity for years to come.

PRECAUTIONS AND NOTES:

1. Wear Hand Gloves.
2. Keep Out of Reach of Children.
3. Keep the application area enough ventilated.
4. Keep the product closed after usage and away from sunlight.
5. Always test the product before use.

HANDLING & SHELF-LIFE:

Keep the tins closed and stored in a cool and ventilated environment at a temperature of 28–35 °C, away from the source of heat. Best Before 12 months.

SAFETY RULES:

Keep the application area enough ventilated. Keep the tins closed after usage and away from sunlight. Please read carefully the safety data sheet before usage. Always test the product before use.
