

DUSH FABIO-40

SIZES

20 ltr

COLORS

Clear

AREA OF USE

Marble

PHYSICAL STATE | Liquid

COLOUR | White

DESCRIPTION:

Dush Fabio-40 is a revolutionary marble densifier designed to strengthen soft, porous marble while imparting an exclusive, long-lasting high-quality gloss. Utilizing nano-technology, this formula is tailored for highly porous marble, offering protection against dirt, dampness, patches, and stains. By penetrating the marble and sealing micro-fissures, it enhances natural color and gloss, ensuring the marble retains its vibrancy and resilience over time.

Product Application Photo:

INSTRUCTIONS TO USE:

1. Surface should be clean, dry and dust free. Product should be used undiluted on the surface, spread the product by using the wiper and let the surface completely absorb the solution.
2. Since the porosity of the marble is at the maximum level at grinding stage, this product should be applied repetitively until it stops penetrating into the marble. It treats all micro holes and fissures which eventually helps the marble achieve the finest gloss possible. The result is the floor that is more durable, easier to clean, and more resistant to damage from water and mild chemicals.
3. Main advantages of this product are:
 - Easy to apply
 - Suitable for all types of marble
 - Eco friendly product devoid of any harmful chemicals
 - Protection against stains
 - Treated surface is denser and more durable
4. Allow it to dry for 24 hours and continue with next steps.

FEATURES AND BENEFITS:

1. **Enhanced Strength:** Fabio-40 strengthens soft, porous marble, making it more resistant to damage and wear over time, ensuring the longevity of the stone.
2. **Long-Lasting Gloss:** This densifier provides an exclusive, high-quality gloss that endures for an extended period, adding a touch of elegance to any marble surface.
3. **Advanced Protection:** Developed with nano-technology, Fabio-40 offers superior protection against dirt, dampness, patches, and stains, preserving the beauty of marble surfaces.
4. **Color Enhancement:** By covering maximum porosity and enhancing natural color, Fabio-40 revitalizes the appearance of marble, ensuring it remains vibrant and radiant.
5. **Specialized for Light-Colored Marble:** Fabio-40 delivers excellent results on white and light-colored marble prone to staining or losing sheen quickly, providing enhanced protection and maintaining the marble's pristine appearance for longer periods.

PRECAUTIONS AND NOTES:

1. Wear Hand Gloves.
2. Keep Out of Reach of Children.
3. Keep the application area enough ventilated.
4. Keep the product closed after usage and away from sunlight.
5. Always test the product before use.

HANDLING & SHELF-LIFE:

Keep the tins closed and stored in a cool and ventilated environment at a temperature of 28-35 °C, away from the source of heat. Best Before 12 months.

SAFETY RULES:

Keep the application area enough ventilated. Keep the tins closed after usage and away from sunlight. Please read carefully the safety data sheet before usage. Always test the product before use.
