DESCRIPTION:

Dush Glosso Powder is a specially formulated product with a fine grain size circulation, ideal for achieving the finest polish on marble while maintaining the stone's hardness and leaving a long-lasting shine. Free from hazardous substances, it's safe for human health and won't leave any burning marks on the surface. Recommended for restoring lost sheen in various settings, including hotels, malls, and residential complexes.

Product Application Photo:

INSTRUCTIONS TO USE:

1. Carefully clean the surface and remove any kind of the dirt. Apply 20 to 40 grams of product per square meter (about 1-2 tablespoons) and dampen the area by spraying the water till it obtain a texture of creamy consistency.
2. Buff the milky/creamy texture with continuous and constant motion by using the traditional polish machine or single buff machine. Work 2-3 square meters time by time for a more homogeneous polishing.
3. Friction will cause the water evaporation, spray water to maintain product creamy.
4. With the drying, the surface becomes shining.
5. Verify the glossy effect and repeat if necessary.

FEATURES AND BENEFITS:

1. Instant Polish: Dush Glosso Powder delivers extraordinary instant polish to marble, granite, and any polished stone, making it ideal for both new installations and maintenance projects.
2. Mirror-Like Finish: Its unique formulation creates a mirror-like finish on marble surfaces, enhancing their aesthetic appeal and adding a touch of luxury to any space.
3. Stain-Resistant: Unlike conventional polishes, Dush Glosso Powder doesn't leave any finger or footmark patches, ensuring a flawless appearance that lasts.
4. Long-Lasting Gloss: The gloss achieved with Dush Glosso Powder endures for an extended period, especially when the marble is maintained with a professional system, providing sustained beauty and shine.
5. Versatile Application: Suitable for various settings, from residential homes to commercial complexes, Dush Glosso Powder offers versatile solutions for restoring and maintaining the sheen of marble surfaces with ease and efficiency.

PRECAUTIONS AND NOTES:

1. Wear Hand Gloves.
2. Keep Out of Reach of Children.
3. Keep the application area enough ventilated.
4. Keep the product closed after usage and away from sunlight.
5. Always test the product before use.
