DESCRIPTION:

DUSH STAIN-EX is a specialized solution crafted to eradicate yellowish stains caused by reactions with elements like wood, ink, and food on marble surfaces. Primarily targeted for areas near door frames and in bathrooms, this product effectively clears deep yellow stains, though removal efficacy varies based on the stain's age and depth, often requiring multiple applications for complete removal.

Product Application Photo:

INSTRUCTIONS TO USE:

1. Apply undiluted product on stain area.
2. Cover with a transparent plastic sealed by masking tape.
3. Allow it to work 24 hours. In normal conditions it can be used on polished surface.

FEATURES AND BENEFITS:

- 1. Targeted Stain Removal:** STAIN-EX is uniquely designed to specifically target and eliminate yellowish stains resulting from interactions with various elements, restoring the marble's pristine appearance.
- 2. Versatile Application:** Ideal for use near door frames and in bathrooms, STAIN-EX effectively tackles deep yellow stains, offering versatile solutions for various areas of concern.
- 3. Efficient Stain Removal:** While efficacy depends on the age and depth of the stain, STAIN-EX works efficiently to penetrate and clear stubborn stains, providing effective results with continued use.
- 4. Incremental Treatment:** For persistent stains, STAIN-EX may require multiple applications to fully eradicate the discoloration, ensuring thorough treatment and comprehensive stain removal.
- 5. Enhanced Marble Care:** By removing unsightly yellow stains, STAIN-EX helps maintain the beauty and integrity of marble surfaces, preserving their aesthetic appeal and longevity with each application.

PRECAUTIONS AND NOTES:

1. Wear Hand Gloves.
2. Keep Out of Reach of Children.
3. Keep the application area enough ventilated.
4. Keep the product closed after usage and away from sunlight.
5. Always test the product before use.

HANDLING & SHELF-LIFE:

Keep the tins closed and stored in a cool and ventilated environment at a temperature of 28-35 °C, away from the source of heat. Best Before 12 months.

SAFETY RULES:

Keep the application area enough ventilated. Keep the tins closed after usage and away from sunlight. Please read carefully the safety data sheet before usage. Always test the product before use.
