DESCRIPTION:

DUSH Wet Look is perfectly suited for for a wet effect and to enhance the natural color of any kind of porous stone such as marble, Granite and natural stone. DUSH Wet Look is a solvent based product developed to protect polished italian marble surfaces from water and dirt, moisture damage. Wet Look makes surface UV resistant, stain resistant, water and dirt resistant.

Product Application Photo:

INSTRUCTIONS TO USE:

1. Surface must be clean, dry and free from traces of alien substances.
2. Apply Wet Look with paint brush, cotton cloth, or low - pressure sprayer on surface evenly and let the material absorb the product as per natural porosity; wipe off the excess with an absorbent cloth.
3. In case of very absorbing stone second coat allows the intensification of the wet effect. Do not walk on the treated surface 5-6 hours after treatment.
4. For complete result wait for 24 hours.

FEATURES AND BENEFITS:

The Wetlook Effect is an affordable alternative to Wetlook Luxuria, offering several benefits for granite and dark marble surfaces:

1. Enhanced Natural Color:
 - ▶ Color Enhancement: The Wetlook Effect enriches the natural color of dark stones, enhancing their depth and richness for a visually appealing finish.
2. Low-Odor, Non-Oily Finish:
 - ▶ Clean Finish: Leaves a clean, non-oily surface, minimizing the risk of slipperiness and maintaining a sleek appearance.
 - ▶ Reduced Odor: Typically low in odor during application, ensuring a more pleasant experience for users.
3. Mark Resistance:
 - ▶ Mark Prevention: Helps prevent the formation of hand and foot marks, keeping the surface looking clean and well-maintained.
4. Protection and Durability:
 - ▶ Surface Protection: Offers protection against stains, scratches, and environmental damage, extending the lifespan of the stone surface.
 - ▶ Basic Weather Resistance: Provides basic resistance to moisture and temperature variations, suitable for indoor applications.

5. Enhanced Gloss:

- ▶ **Glossy Finish:** Creates a glossy finish that enhances the natural beauty of the stone, though slightly less pronounced compared to higher-priced alternatives.

6. Easy Application:

- ▶ **User-Friendly:** Easy to apply, making it suitable for both professionals and DIY enthusiasts.
- ▶ **Reasonable Drying Time:** Dries within a reasonable timeframe, allowing for efficient application and minimal downtime.

7. Budget-Friendly and Safe:

- ▶ **Affordable Option:** Offers an economical solution for enhancing the appearance of granite and dark marble surfaces.
- ▶ **Non-Toxic:** Made from safe, non-toxic ingredients, ensuring peace of mind during use.

While the Wetlook Effect may offer slightly fewer features compared to premium products, it still provides an effective solution for enhancing the appearance and durability of granite and dark marble surfaces at a more accessible price point.

PRECAUTIONS AND NOTES:

1. Wear Hand Gloves.
2. Keep Out of Reach of Children.
3. Keep the application area enough ventilated.
4. Keep the product closed after usage and away from sunlight.
5. Always test the product before use.

HANDLING & SHELF-LIFE:

Keep the tins closed and stored in a cool and ventilated environment at a temperature of 28–35 °C, away from the source of heat. Best Before 12 months.

SAFETY RULES:

Keep the application area enough ventilated. Keep the tins closed after usage and away from sunlight. Please read carefully the safety data sheet before usage. Always test the product before use.
