DESCRIPTION:

Dush Bianco Extra is a premium Epoxy Based Glue specifically designed for filling joints and cracks in white and light-colored marble. Its exceptional clarity and durability, derived from high-grade ingredients, set it apart in the epoxy glue market. With long-lasting joints and color stability, it ensures professional-quality repairs and enhancements for marble surfaces.

Product Application Photo:

INSTRUCTIONS TO USE:

1. Clean the surface by removing all dust and dirt.
2. Make a fine paste by mixing components marked 'A' and 'B' on 100:50 ratio.
3. Apply immediately on the surface and allow 3-4 hours for drying.
4. Continue further process.

FEATURES AND BENEFITS:

- 1. Exceptional Clarity:** Offers unmatched transparency, seamlessly blending with white and light-colored marble for invisible repairs.
- 2. Superior Durability:** Crafted from high-grade ingredients, it delivers long-lasting performance, maintaining clarity and strength over time.
- 3. Color Stability:** Ensures that joints and cracks retain their original color, preserving the aesthetic integrity of the marble surface.
- 4. Professional-Grade Results:** Trusted by professionals for its reliability and performance, guaranteeing professional-quality repairs.
- 5. Versatile Application:** Suitable for various white and light-colored marble types, providing a versatile solution for marble repair and restoration projects.

PRECAUTIONS AND NOTES:

1. Wear Hand Gloves.
2. Keep Out of Reach of Children.
3. Keep the application area enough ventilated.
4. Keep the product closed after usage and away from sunlight.
5. Always test the product before use.

HANDLING & SHELF-LIFE:

Keep the tins closed and stored in a cool and ventilated environment at a temperature of 28-35 °C, away from the source of heat. Best Before 12 months.

SAFETY RULES:

Keep the application area enough ventilated. Keep the tins closed after usage and away from sunlight. Please read carefully the safety data sheet before usage. Always test the product before use.
