

## DUSH BIANCO +

### SIZES

20 ltr

### COLORS

Clear

### AREA OF USE

Marble

PHYSICAL STATE | Liquid

COLOUR | White

### DESCRIPTION:

**DUSH BIANCO+** is an advanced nano-technology-based formula designed for extremely high-porosity marble. It provides superior protection against dirt, dampness, patches, and stains while significantly reducing porosity. This innovative formula enhances the stone's natural color and gloss, making it more vibrant and long-lasting. DUSH BIANCO+ penetrates deep into the marble, sealing micro-fissures to increase surface hardness and durability. It prevents the stone from fading over time, even under heavy usage, ensuring a consistently rich and glossy appearance.

### Product Application Photo:

## INSTRUCTIONS TO USE:

Surface should be clean, dry and dust free.

Product should be used undiluted on the surface, spread the product by using the wiper and let the surface completely absorb the solution.

Since the porosity of the marble is at the maximum level at grinding stage, this product should be applied repetitively until it stops penetrating into the marble. It treats all micro holes and fissures which eventually helps the marble achieve the finest gloss possible. The result is the floor that is more durable, easier to clean, and more resistant to damage from water and mild chemicals.

Main advantages of this product are:

- Easy to apply
- Suitable for all types of marble
- Eco friendly product devoid of any harmful chemicals
- Protection against stains
- Treated surface is denser and more durable.

## FEATURES AND BENEFITS:

- 1. Maximum Strength & Hardness** – Bianco+ reinforces highly porous marble, significantly increasing its durability and resistance to wear, ensuring long-term structural integrity.
- 2. Superior & Long-Lasting Gloss** – This advanced formula enhances the surface with a deep, mirror-like shine that remains intact even under heavy usage.
- 3. Ultimate Nano-Protection** – Engineered with nano-technology, Bianco+ provides exceptional defense against dirt, dampness, patches, and stains, preserving the stone's pristine condition.
- 4. Enhanced Color & Clarity** – By sealing micro-fissures and reducing porosity, Bianco+ enriches the natural color of marble, making it more vibrant and aesthetically appealing.
- 5. Ideal for High-Porosity & Light-Colored Marble** – Specially formulated for white and light-toned marble, Bianco+ prevents deep staining and discoloration, maintaining its flawless appearance over time.

## PRECAUTIONS AND NOTES:

1. Wear Hand Gloves.
2. Keep Out of Reach of Children.
3. Keep the application area enough ventilated.
4. Keep the product closed after usage and away from sunlight.
5. Always test the product before use.

### HANDLING & SHELF-LIFE:

Keep the tins closed and stored in a cool and ventilated environment at a temperature of 28–35 °C, away from the source of heat. Best Before 12 months.

### SAFETY RULES:

Keep the application area enough ventilated. Keep the tins closed after usage and away from sunlight. Please read carefully the safety data sheet before usage. Always test the product before use.

### TECHNICAL INFORMATION :

PHYSICAL STATE | Liquid

COLOUR | White

CHARACTERISTICS OF PRODUCT	
APPERANCE	White Liquid
ODOUR	Odourless
