

DUSH FABIO+

SIZES

20 ltr

COLORS

Clear

AREA OF USE

Marble

PHYSICAL STATE | Liquid

COLOUR | White

DESCRIPTION:

Dush Fabio + is an advanced nano-technology-based marble densifier designed to reinforce highly porous marble, making it stronger and more resilient. This next-generation formula provides superior protection against dirt, dampness, patches, and stains while delivering a long-lasting, high-quality gloss. By deeply penetrating the marble and sealing micro-fissures, DUSH FABIO+ enhances the stone's natural color and shine, ensuring it remains vibrant and durable even under heavy use.

Product Application Photo:

INSTRUCTIONS TO USE:

1. Surface should be clean, dry and dust free. Product should be used undiluted on the surface, spread the product by using the wiper and let the surface completely absorb the solution.
2. Since the porosity of the marble is at the maximum level at grinding stage, this product should be applied repetitively until it stops penetrating into the marble. It treats all micro holes and fissures which eventually helps the marble achieve the finest gloss possible. The result is the floor that is more durable, easier to clean, and more resistant to damage from water and mild chemicals.
3. Main advantages of this product are:
Easy to apply
Suitable for all types of marble
Eco friendly product devoid of any harmful chemicals
Protection against stains
Treated surface is denser and more durable
4. Allow it to dry for 24 hours and continue with next steps.

FEATURES AND BENEFITS:

1. **Maximum Strength & Durability** – Fabio+ reinforces highly porous marble, significantly increasing its resistance to damage and wear, ensuring long-term structural integrity.
2. **Superior & Long-Lasting Gloss** – This advanced densifier provides an exclusive, high-quality gloss that remains intact for an extended period, adding a refined elegance to any marble surface.
3. **Ultimate Nano-Protection** – Engineered with cutting-edge nano-technology, Fabio+ offers exceptional protection against dirt, dampness, patches, and stains, preserving the marble's flawless beauty.
4. **Enhanced Color & Clarity** – By deeply penetrating and sealing micro-fissures, Fabio+ minimizes porosity, enhances the natural color of marble, and ensures a more vibrant, radiant appearance
5. **Perfect for Light-Colored Marble** – Specially formulated for white and light-toned marble, Fabio+ prevents staining, discoloration, and sheen loss, maintaining a pristine and luxurious look over time.

PRECAUTIONS AND NOTES:

1. Wear Hand Gloves.
2. Keep Out of Reach of Children.
3. Keep the application area enough ventilated.
4. Keep the product closed after usage and away from sunlight.
5. Always test the product before use.

HANDLING & SHELF-LIFE:

Keep the tins closed and stored in a cool and ventilated environment at a temperature of 28–35 °C, away from the source of heat. Best Before 12 months.

SAFETY RULES:

Keep the application area enough ventilated. Keep the tins closed after usage and away from sunlight. Please read carefully the safety data sheet before usage. Always test the product before use.
