Lemon Yellow

AREA OF USE

Marble

PHYSICAL STATE

Powder

COLOUR

Lime

DESCRIPTION:

Dush Glosso + is a specially formulated powder with an ultra-fine grain size, designed to achieve the highest level of polish on marble while preserving the stone's hardness and delivering a long-lasting shine. Free from hazardous substances, it is completely safe for human health and does not cause any burning marks on the surface. DUSH GLOSSO+ is highly recommended for restoring lost sheen in various environments, including hotels, malls, and residential complexes, ensuring a flawless and elegant finish.

Product Application Photo:

INSTRUCTIONS TO USE:

- 1.** Carefully clean the surface and remove any kind of the dirt. Apply 20 to 40 grams of product per square meter (about 1-2 tablespoons) and dampen the area by spraying the water till it obtain a texture of creamy consistency.
- 2.** Buff the milky/creamy texture with continuous and constant motion by using the traditional polish machine or single buff machine. Work 2-3 square meters time by time for a more homogeneous polishing.
- 3.** Friction will cause the water evaporation, spray water to maintain product creamy.
- 4.** With the drying, the surface becomes shining.
- 5.** Verify the glossy effect and repeat if necessary.

FEATURES AND BENEFITS:

- 1. Instant Polish – DUSH GLOSSO+** delivers an exceptional instant polish to marble, granite, and other polished stones, making it perfect for both new installations and maintenance projects.
- 2. Mirror-Like Finish** – Its advanced formulation creates a brilliant, mirror-like finish on marble surfaces, enhancing their elegance and adding a luxurious touch to any space.
- 3. Stain-Resistant** – Unlike traditional polishes, DUSH GLOSSO+ ensures a flawless finish by preventing finger or footmark patches, maintaining a pristine appearance.
- 4. Long-Lasting Gloss** – The high-gloss effect achieved with DUSH GLOSSO+ remains for an extended period, especially when used with a professional maintenance system, ensuring sustained beauty and shine.
- 5. Versatile Application** – Ideal for various environments, from residential spaces to commercial complexes, DUSH GLOSSO+ provides an efficient and effective solution for restoring and maintaining the brilliance of marble surfaces.

PRECAUTIONS AND NOTES:

- 1.** Wear Hand Gloves.
- 2.** Keep Out of Reach of Children.
- 3.** Keep the application area enough ventilated.
- 4.** Keep the product closed after usage and away from sunlight.
- 5.** Always test the product before use.

HANDLING & SHELF-LIFE:

Keep the tins closed and stored in a cool and ventilated environment at a temperature of 28-35 °C, away from the source of heat. Best Before 12 months.

SAFETY RULES:

Keep the application area enough ventilated. Keep the tins closed after usage and away from sunlight. Please read carefully the safety data sheet before usage. Always test the product before use.
