DESCRIPTION:

DUSH WetLook Luxuria is the perfect high grade solution for enhancing color of marble, granite, and natural stone in its color enhancer sealer series. It is ideal for durable wet effect, enhancing the natural color and veins of the stone. This solvent-based product not only gives your stone surfaces a stunning wet look but also protects them from damage caused by water, dirt, and frost. It is also effective in stopping calcareous efflorescence. DUSH WetLook Luxuria makes the surface of your stone · UV-resistant, stain-resistant, and water-resistant.

Product Application Photo:

INSTRUCTIONS TO USE:

1. Surface should be clean and dry. Apply evenly with brush, cloth, or sprayer. Allow the material absorb the product as per natural porosity of the stone. Wipe off the excess product with an absorbent cloth. Do not walk on the treated surface, preferably for 24 hours, but for at least 5-6 hours.

FEATURES AND BENEFITS:

Wetlook Luxuria is a high-quality wet-look effect product designed for granite and dark marble surfaces. It offers several outstanding benefits, particularly when used on polished stone surfaces:

1. Enhanced Natural Color:

- ▶ **Color Enrichment:** Wetlook Luxuria significantly enhances the natural color of dark stones, bringing out the depth and richness of the stone's hues and patterns.
- ▶ **Visual Appeal:** Provides a dramatic, glossy finish that elevates the visual appeal of granite and dark marble surfaces.

2. Non-Oily Finish:

- ▶ **Clean Appearance:** Leaves no oily residue, ensuring the surface remains clean and sleek without any greasy or slippery feel.
- ▶ **Easy Maintenance:** Makes the surface easier to maintain as it does not attract dust and dirt like oil-based products.

3. No Hand or Foot Marks:

- ▶ **Mark Resistance:** The special formulation of Wetlook Luxuria prevents the formation of hand and foot marks, keeping the surface looking pristine and polished even in high-traffic areas.
- ▶ **Consistent Shine:** Ensures a consistent, high-gloss finish without blemishes caused by fingerprints or foot traffic.

4. Protection and Durability:

- ▶ **Surface Protection:** Offers excellent protection against stains, scratches, and environmental damage, extending the life of the stone surface.
- ▶ **Weather Resistance:** Provides robust resistance to moisture, UV rays, and temperature variations, making it suitable for both indoor and outdoor use.

5. Enhanced Gloss:

- ▶ **Wet-Look Finish:** Creates a stunning wet-look effect that enhances the stone's natural beauty and gives it a luxurious, polished appearance.
- ▶ **Improved Reflectivity:** Increases the reflectivity of the stone surface, adding depth and dimension to its look.

6. Ease of Application:

- ▶ **User-Friendly:** Easy to apply with simple tools, making it suitable for both professional use and DIY enthusiasts.
- ▶ **Quick Drying:** Dries quickly, allowing for minimal downtime and fast results.

Using Wetlook Luxuria for granite and dark marble can greatly enhance the aesthetic and functional qualities of polished stone surfaces, providing a long-lasting, beautiful finish that resists common issues like oiliness and marking.

PRECAUTIONS AND NOTES:

1. Wear Hand Gloves.
2. Keep Out of Reach of Children.
3. Keep the application area enough ventilated.
4. Keep the product closed after usage and away from sunlight.
5. Always test the product before use.
